

GENERAL SESSION, THE FIRST MEETING

The General Session was opened by the President of the 16th ITTC Prof. G.A. Matveyev.

The Chairman read the obituary notes and asked the Conference to rise in memory of their deceased colleagues. Prof. Matveyev presented the Executive Committee's Report and gave his views on principal directions of the Technical Committees' activities at present and in

future.

Following a brief discussion, the Report was approved.

The Secretary of the Executive Committee Dr. V.N. Treshchevsky informed the participants on the procedures of the Technical Sessions and some other organizational matters.
